THE INLAND EMPIRE GARDENERS--WHAT'S THE BUZZ?

a different kind of garden club

Innovative, Creative, Dynamic, Irreverent, & Adventuresome!

We are a fun-loving group who love to tour gardens, learn about gardening, and have festive events. Our primary purpose is to create a fellowship--an extended family of people who enjoy gardening and want to share this in friendship. We believe people who garden love life and nature. Ours is a club that celebrates the joy of gardening, friendship, homes and gardens, families, nature, and life.

COMMUNITY SERVICE FOR SPOKANE - Garden Expo (the biggest annual event for gardeners in our area!), Garden of the Month Contest, Plant a Row for the Hungry, My Bag Program for Spokane's Foster Children, Spokane Humane Society, Spokane in Bloom Tour, & YWCA's Alternatives to Domestic Violence Program.

MONTHLY GENERAL MEETING 1ST WEDNESDAY OF EACH MONTH AT 6:30pm
AT THE LUXURY BOX MEETING PLACE, 10502 E SPRAGUE (corner of Appleway/University)
